

Answers to Component 2 on Credit Task 3

Name: Lim Jia Lok

Student ID: 101212631

Selected Website & Link: Vincero Watches. <https://vincerowatches.com/>

1. Enhance the a one-page corporate site template/Webpage (wireframe) which you have done in Pass Task 2:

- It should contain a minimum of 5 main parts namely: corporate banner/slider, main product/service highlight, product/service features, company profile, and footer.
- There must be a minimum of 10 individual boxes in your design.
- You need to provide additional wireframe for Mobile View (use col-xs-**).
